Q55

**CONSENT TO PARTICIPATE IN A RESEARCH STUDY
UNIVERSITY OF CALIFORNIA, MERCED****Procedure:**

If you agree to be in this study, the following will happen:

You will perform a computer-based decision task. You will complete a short survey, also on the computer. You will answer a few basic demographic questions, also on the computer.

Participation in this study will take less than fifteen minutes. All study procedures will be done at a location chosen to the participant.

Risks:

There are no physical risks associated with this study.

Benefits:

There will be no direct benefit to you by participating in this study.

Payments:

You will be paid \$0.?? on Mechanical Turk for this study. You will receive a code to input on Mechanical Turk for payment on the final screen.

Age:

You affirm that you are 18 years of age or older.

Consent:

Participation in this research is voluntary. You have the right to decline to participate or to withdraw at any point in this study without penalty.

Your identity in the study will be treated as confidential; in addition, no information that could be used to identify you will be collected. The results of the study may be published for scientific purposes, but will not give your name or include any identifiable references to you. The raw data may be made available to other researchers and interested parties in the future. To reiterate, no identifying information will be collected and therefore any sharing of the data will not be able to be traced back to you, the individual.

In order to participate in this study you need to read English well enough to understand this consent document and to understand the instructions for the discrimination task. Additionally, the Amazon Mechanical Turk system should have only shown this study to you if you have a 95% approval rating and are located in the United States of America. You will be one of up to 1000 participants.

Please remember you are free to choose whether or not to participate in this study. You may choose to withdraw from the experiment at any time without penalty by simply closing your web browser.

Any questions you have concerning the study itself can be answered by the contact researcher, Karie Moorman (kmoorman@ucmerced.edu). Any questions you have about your rights as a research subject may be addressed to the Office of Research at (209) 383-8655 or by mail at the Office of Research, 5200 N Lake Road, Merced, CA, 95343. The Office of Research will inform the Institutional Review Board, a panel who reviews the research to protect your rights. If you have complaints or concerns about this study, you may direct them to **Ramesh Balasubramaniam, Chair of the Institutional Review Board (IRBchair@ucmerced.edu, (209) 383-8655)**. Karie Moorman is also your contact should you have issues with payment on Mechanical Turk.

AUTHORIZATION

I am 18 years of age or older and I have read and understand this consent form, and I volunteer to participate in this research study. I understand that I will receive a copy of this form upon request. I voluntarily choose to participate, but I understand that my consent does not take away any legal rights in the case of negligence or other legal fault of anyone who is involved in this study. I further understand that nothing in this consent form is intended to replace any applicable Federal, state, or local laws.

Pressing the next button below constitutes agreeing to the above authorization paragraph.

By clicking to continue you are acknowledging the following: I have read this consent and understand that I am free to ask questions via email. I understand that I may request a copy of this consent form.
